share 2 pizzas.

WELCOME TO THE POINT

This winter we are looking forward to delicious warming food, served steaming hot in our lovely blue bowls with a chunk of sour dough bread. It is all about staying cosy in the Bear Bar with easy, healthy comfort food. Our team of chefs use seasonal, locally sourced produce where possible.

If you prefer a light snack or a sharing meal there are plenty of options available. We also have a specials board and soup of the day – just ask the team.

Please place your order at the bar

Sundays the restaurant is open for our famous traditional roast with splendid views of Pentire Point and the surrounding countryside. We highly recommend booking a table.

Like us on Facebook and Instagram to keep up to date with all our events over the winter.
