ABOUT ME

"Born in the North West of England on Lancashire, but left there to join the RAF. I have been lucky enough to have travelled around the world many times over but in 2018 I moved from Oxfordshire to retire in Cornwall. I started playing golf here at The Point in 2019 as the staff and members make it by far the friendliest club in this area. I was proud and honored to be elected Seniors Captain for the 2023/24 season."
